- 3.2. The College's liability for loss or damage to person or property is excluded unless the loss or damage is caused by the College's negligence or breach of its obligations in this licence agreement and personal belongings left at the College are at the Student's own risk. Although the Student's personal belongings (up to a maximum value of £3,000 in total) are insured under the College's block insurance policy with Endsleigh (see www.blockhalls.co.uk, as before) that insurance is subject to the conditions, exclusions, limitations and excesses of the policy. "Top-up" insurance cover is available direct from Endsleigh, and details of how to arrange this are given on the Endsleigh web-site.
- 3.3. The College is not liable to repair any damage caused by the Student unless the cost is met by insurance or by the Student (any excess on the policy being payable by the Student). This clause shall not apply where the College has an overriding statutory obligation to make the College safe.
- 3.4. The College may temporarily suspend use of the Common Parts including communal kitchens if they are not kept in a clean and tidy condition by the students using them
- 3.5. This licence agreement does not affect the disciplinary powers of the College or of the University of Oxford (see <http://www.admin.ox.ac.uk/statutes/regulations/#disc>)
- 3.6. The College is entitled, at the Student's expense, to remove from the Accommodation or the Common Parts any article which constitutes an obstruction or a fire or health or safety risk but (unless perishable) will if requested return it to the Student on the termination of this licence agreement. The College is entitled to remove any item left in College by the Student at the end of the Licence Period and shall not be obliged to return it to the Student
- 3.7. This licence agreement is a student licence under paragraph 8 of Schedule 1 to the Housing Act 1988 (but will operate as a licence where the Accommodation is designated for sharing, and is shared, with another student)
- 3.8. Notices under this licence agreement must be in writing (which includes email) and the College's address for service is given on the first page of this licence agreement
- 3.9. This licence agreement is not intended to confer any benefit to anyone who is not party to it
- 3.10. This licence agreement and the policies referred to in it (together with the College Student Handbook and the terms and conditions of Endsleigh's insurance cover) contains all the terms agreed to by the College and the Student at the time it comes into effect and any variation to the terms will only be effective if agreed between the Student and the College's Domestic Bursar. The College will confirm any agreed variation to the Student in writing at the time the variation is made

4. Termination of this Licence Agreement

4.1. Unless the Student has made arrangements with the College for late arrival this licence agreement will automatically terminate if the Student has not taken up residence by the end of the first week of the tenancy, but the Student will be liable for the Rent until the room is re-let or until the end of the licence period, whichever is earlier.

4.2. The College may terminate this licence agreement at any time by serving notice on the Student if:

- (a) Any payment is overdue by 21 days or more or
- (b) The Student is in serious or persistent breach of any of the Student's obligations or
- (c) The Student does not have status as a member of the College or of the University of Oxford
- (d) In the reasonable opinion of the College the health or behaviour of the Student constitutes a serious risk to him/herself or others or the College's or other people's property

4.3. The Student may only terminate this licence agreement in accordance with this clause, and will remain liable for the Rent until:

- (a) the Student has given notice to the College's Domestic Bursar that s/he wishes to leave; **and**
- (b) the Student makes payment for, or puts right, to the College's reasonable satisfaction any breach of the Student's obligations in this licence agreement; **and**
- (c) a replacement student or College member who is reasonably satisfactory to the College as a tenant and who is not already a tenant of the College enters into a licence agreement with the College (the College will assist the Student in finding a replacement, but does not guarantee it will be able to find one); **and**
- (d) the Student pays a fee (of £25 where the College finds a replacement student or of £25 where the Student finds a replacement student) towards the College's costs of administration and cleaning the Accommodation.

Conditions (b) to (d) in this clause shall not apply if the Student is able to show that the reason for termination is a serious or persistent breach of the College's obligations in this licence agreement. For the avoidance of doubt, the College will make vacated rooms available to other students for room transfers, but room swaps will not be treated as replacements and refunds of Rent will only be given where the void in the College caused by the Student's early departure has been filled and there is no loss to the College. The College shall be entitled to fill any rooms which are already vacant before allocating people on its waiting list to the Accommodation.

4.4. If this licence agreement is terminated early the College will refund to the Student a fair proportion of pre-paid Rent (after making any proper deductions to cover its losses) as soon as possible after the termination becomes effective but if the College terminates under clause 4.2 pre-paid Rent will only be refunded for the period for which the College is able to, and after it has, re-let the Accommodation

4.5. (a) The College reserves the right to relocate the Student to comparable alternative accommodation during the Period of Residence where it is reasonable to do so but unless the reason for relocation is because the Student is in breach of one or more of their obligations in this licence agreement the Student will have the right to terminate this licence agreement (without having to comply with the conditions in clause 4.3) as an alternative to relocating
(b) Where the College relocates the Student because the Student is in breach of one or more of their obligations in this licence agreement [or where the relocation is made at the Student's request] the Student shall pay the College an administration fee of £25

4.6. The College's acceptance of the keys at any time shall not in itself be effective to terminate this licence agreement while any part of the Period of Residence remains unexpired

5. **Shared Room Contracts (Merifield and Lathbury Road - see additional contract details at end)**

Where the Accommodation is designated for occupancy by more than one person, this clause 5 applies but not otherwise

Each occupier will have a separate agreement with the College on substantially the same terms

This agreement takes effect as a licence to occupy and not as a student tenancy. References to "licence agreement" and "rent" shall be read as references to "licence agreement" and "licence fee".

Where damage or loss occurs at the Accommodation and it is not possible for the College (acting reasonably) to ascertain who is at fault, to pay a fair and reasonable proportion of the cost of repairing the damage or reinstating the loss including a proportion of the £25 administration fee

If the Student becomes the sole occupier of the accommodation, the College may require the Student to move to a room designated for single occupancy. Unless the College requires a sole occupier to move to a single room, then the Student may remain alone in the room.

The College may introduce a second student to the Accommodation if it is in single occupancy and will use reasonable endeavours to give reasonable notice to the student in occupation of its intention to do so. Clause 4.3 applies to students wishing to leave shared accommodation, but refunds of Rent will only be given to students who have left a shared room when a replacement sharing student begins occupation.

The College shall not be obliged to relocate either student in the event that sharing students do not get on with each other, but will treat transfer requests sympathetically in such circumstances. Students in shared rooms have the same rights to terminate their tenancy agreements as students in single rooms

Students in shared rooms will show the utmost respect for the other occupier of the Accommodation and for their belongings. The rights of the sharing students are equal and neither has precedence or preference over the other

The Student is permitted a "cooling off" period of 7 working days. During this period the Licensee is legally entitled to cancel the contract for no other reason than the simple fact that they may have changed their mind.

The "cooling off" period commences the day the Contract is signed by the Licensee and notification has been given to the College.
