

Insurance

Wadham College has arranged some contents insurance for you with Endsleigh, the No.1 student insurance provider. This cover does not protect laptops and phones or other items when you are outside your room, or all risks inside your room. It is important for you to check this cover, so please follow the steps below to ensure you fully understand the protection provided.

Enter in your policy number **HH1145** at endsleigh.co.uk/reviewcover to check your policy details.

- ✓ Check what is covered.
- ✓ Check key exclusions and limitations.
- ✓ Check your policy excess.
- ✓ Check how to make a claim.
- ✓ Extend and personalise your cover to protect laptops, phones and other valuables.

It is important to find out exactly what you are covered for, as you may find that the contents cover is not sufficient and you need to extend it to protect all of your possessions both inside and outside of your room.

About Endsleigh

50 years ago Endsleigh pioneered affordable insurance designed for students.

Today they provide personalised cover tailored around your University needs and into your professional life too.

Endsleigh protect you every day, every hour, every minute, because they know it only takes a second for your world to be turned upside down.

As the No.1 student gadget insurance provider, they promise to replace laptops, phones and other gadgets in just 24 hours*. Whether you just want to protect your laptop, or protect it along with your phone, bike, sports equipment or musical instrument, you can insure all the items that matter to your life with Endsleigh's new flexible policy.

As you graduate, you can then adapt your policy to suit your new life as a young professional, so whether you move to the big city or move back home with parents, you can continue to protect those items that really matter.

Endsleigh is proud to remain the only insurance provider recommended by NUS.
