

Hardship support (all students)

If you find yourself in financial difficulty, please seek advice from the Finance Bursar in the first instance - finance.bursar@wadham.ox.ac.uk, tel. +44(0)1865 277966.

Always check first that you have applied to all government funds for which you may be eligible – check details and links relevant to graduates and undergraduates on the University Hardship Funding web page (section 1):

<http://www.ox.ac.uk/students/fees-funding/assistance/hardship>

Once you are sure that you are receiving all the government funding for which you are eligible, you may then apply to Wadham's Student Support Fund. Please note that support from this fund is only available in cases of *unforeseen* financial hardship, e.g. a parent becoming unemployed or losing income due to illness. If you apply to this fund, you are likely to be asked to apply to the University's hardship funds at the same time (Access to Learning Fund for Home students, University Hardship Fund for all students). It is important that you read the information available on the University website about these funds before applying – also available via the link above.

Application details (Wadham Student Support): Please download and complete the form and email to the Finance Bursar's PA, Katarina Bjurstedt (address below). Applications require a comment from the relevant College Advisor, requested by the Bursary Office, and are considered on an individual basis by the Loans & Grants Committee once per term.

Deadline: Friday of week 5 in each term. In exceptional circumstances applications may be accepted at other times.
