Requests for Visa letters to travel to Europe during the vacation periods

Please ensure you allow at least two weeks notice when requesting a letter from the Tutorial Office to support your visa application to travel to Europe during the vacation periods. Remember that you will need this letter for your appointment with the visa office of the country you are planning to visit. Normally it will be a requirement for us to state the dates of term, so that the relevant Embassy will see that you intend to travel out of term only.

To request a letter, please provide the following details via email to admin@wadh.ox.ac.uk
