we invite you to join a group of Wadham SU, MCR and SCR members across a range of disciplines to address the theme of **disruption**

participants sign up for a full day of conversation, not just in the discussion sessions, but over coffee, tea, lunch, drinks and a **special 3-course dinner in Hall** – so as to build on a real sense of intellectual community without borders which will extend beyond the day itself.

the event is generously subsidised by the college and the SU, so that we only ask for a contribution of £12 each towards the cost of refreshments. **pre-dinner drinks are donated.**

**dialogues of disruption: pushing the boundaries**

**destabilising the ‘natural’ narrative and linguistic ruptures**
