## **An Overview of Graduate Accommodation**

This booklet explains the process by which the graduate accommodation provided through the College is offered and allocated, and it describes the specific accommodation at each site.

Information about University accommodation is also provided at the end of this booklet, should you wish to follow that up independently.

### **Graduate Accommodation 2018/2019**

Single accommodation will be offered to the majority of full-time first-year graduates (or 'graduate freshers') who have met the financial and academic conditions of their University offer by 1<sup>st</sup> August 2018. Accommodation is allocated on a 'first-come, first-served' basis. If the demand for accommodation exceeds the number of rooms available, a waiting list will be kept.

### **How to Request Accommodation**

When you complete the Wadham College online Graduate Admissions Offer Reply Form (link provided in your College offer letter) you will be asked if you wish to request single accommodation through the College. If so, you will then be asked to state your accommodation preferences. Details of the various accommodation sites can be found on pages 7-13 of this booklet. We do our best to accommodate as many graduate freshers as possible and we try to align our offers with students' preferences. However, if you are offered accommodation it may not match your stated preferences.

Stating on your Offer Reply Form that you would like accommodation through the College does not guarantee that you will be offered accommodation. After your responses to the Offer Reply Form have been processed, the Graduate Administrator will let you know whether we are able to offer you accommodation or whether it will be necessary to place you on the waiting list. Processing responses may take a few weeks at peak times; responses will be handled in the order the forms are completed. As accommodation is allocated on a first-come, first-served basis, it may be advantageous to complete your Offer Reply Form requesting accommodation as soon after you receive your College offer letter as possible. It is likely that the accommodation we have available for graduate freshers will be fully allocated by 1<sup>st</sup> August (if not earlier).

Please note that only a few rooms are reserved for graduates on the main College site. These are predominantly for graduates with special requirements (i.e. mobility issues, medical conditions). Anyone may select the College site as their first preference but the chances of being allocated one of the few graduate rooms on the College site will be greater if special requirements exist and are communicated to us through the Offer Reply Form (or via an alternative method at the same time the Offer Reply Form is completed). Please also be aware that rooms on the College site are not normally allocated until after the 1<sup>st</sup> of August, at which time we will have a full picture of offer holders' requirements.

If you have questions regarding special requirements for accommodation please contact the Graduate Administrator, at [graduate.admissions@wadham.ox.ac.uk](mailto:graduate.admissions@wadham.ox.ac.uk) in the first instance. You may be referred to the College's Disability Coordinator.

### **'Met all conditions'**

In order to take up an offer of accommodation you must have met the financial and academic conditions of your University offer. You will have 'met all conditions' when you have:

- Completed the Offer Reply Form online, accepting your College offer and applying for accommodation
- Met all of the conditions stipulated in your University and College offer letters (this includes any academic, language and financial conditions).

If any of these points are not completed by **1<sup>st</sup> August 2018** you will lose entitlement to any accommodation you have previously been offered and be placed on the waiting list for accommodation. Please contact the Graduate Administrator in advance of this date with full details if you feel you will have trouble fulfilling your conditions by the deadline.

### **Graduate Accommodation Site Allocation**

If you are offered accommodation, the Graduate Administrator will at this point provide you with an indication of which accommodation site we anticipate your room being situated in: College-owned accommodation at Merifield or Lathbury Road, at Castle Mill (University-owned), or in a very few cases on the College site. Please note you do not need to have fulfilled the conditions associated with your College and University offers, or to have paid your £200 security deposit to the College, to be allocated to an accommodation site. Accommodation sites will be allocated by preference as far as possible except when it is determined that we should do otherwise due to specific requirements (e.g. reasonable adjustments) until all spaces have been filled (at which point we will open a waiting list; see more information below). Please be aware you will not be allocated a specific room until mid-August.

If we have not been able to allocate you to your first-choice site, please note that the site to which you are allocated initially may change over the months between your offer of accommodation and the 1<sup>st</sup> August deadline depending on candidate withdrawals, failure to meet conditions and special requirements (i.e. medical conditions, mobility issues).

### **Accommodation Deposit**

If you are offered accommodation, the Graduate Administrator will then ask you to pay a security deposit of £200 in order to secure your room. This deposit is non-refundable and must be received by **1<sup>st</sup> August 2018**. Unless you ask us to process your deposit earlier, we will not normally process your deposit until you have met the **financial conditions** attached to your offer (the deadline for meeting your financial conditions is also 1<sup>st</sup> August 2018).

You may pay your deposit with a cheque made payable to 'Wadham College', by debit card, or by direct transfer. Further details will be provided on the Accommodation Deposit Form the Graduate Administrator will provide you at that time. *If you would prefer to make your debit card payment over the phone, please email Mrs Jan Lees, the Senior Bursary Clerk, ([jan.lees@wadham.ox.ac.uk](mailto:jan.lees@wadham.ox.ac.uk)) directly to*

*arrange this with her. Be sure to identify yourself as an incoming graduate fresher wishing to pay your accommodation deposit.*

Upon successfully satisfying the conditions (academic/language/financial) of your University offer, and taking up your place at Oxford, £100 of the security deposit will be credited against your first month's rent. £100 is retained as a damage deposit, as per College policy. Please see page 12 for Castle Mill arrangements. Please note that if you choose not to take up the accommodation or graduate place you have been offered at Wadham College, the £200 deposit cannot be refunded (for instance if you elect to take up other accommodation in the city). If, exceptionally, the College is unable to provide accommodation after having offered it to you then your £200 will be refunded.

Before mid-August all queries about accommodation should be addressed to the Graduate Administrator ([graduate.admissions@wadham.ox.ac.uk](mailto:graduate.admissions@wadham.ox.ac.uk)) in the first instance.

### **Graduate Accommodation Room Allocation** (after the 1st August deadline)

The Accommodation Officer, under the direction of the Domestic Bursar, is responsible for allocating graduate rooms within the designated accommodation sites to graduate freshers. In order to make the room allocation process as fair as possible, we apply the same policy to all graduate freshers who have been offered accommodation.

Once the 1<sup>st</sup> August deadline has passed, the Accommodation Officer will allocate a specific room to the graduate freshers who have requested accommodation, been allocated an accommodation site, paid their £200 deposit, and met all the conditions of their University offer. Those students will then be informed of their room allocation by the Accommodation Officer via email in **mid-August** and will have five working days to accept the offer. If you have not replied by the deadline in the email, it will be assumed that you do not wish to accept the accommodation offer. If you do not accept the accommodation offer a further offer will not be made at a later date, except in very exceptional circumstances.

### **The Waiting List**

If you are placed on the waiting list for accommodation it is possible that between that time and the first week of August you may be offered accommodation by the Graduate Administrator if/when space becomes available due to other candidates withdrawing or failing to meet the conditions of their offer.

In late August, if the Accommodation Officer, after allocating rooms has any rooms left, they will be offered to those on the waiting list. We advise you not to rely on being allocated a room if you are on the waiting list as we have no way of anticipating the likelihood of rooms becoming available at this late stage.

### **Residency Agreements (Contracts)**

Residency agreements for Merifield and Lathbury Road start on the 1 October and are for a period of 9 or 11 months. Students accepting accommodation at Castle Mill through the College (see page 12) sign a residency agreement with the University – the contracts start on 10 September and end on 31 July. Please note the relevant clause in the residency agreement regarding terminating the agreement. The College

is not responsible for the financial consequences of terminating residency agreements with the University for any reason.

### **Residency Requirements for Graduate Students**

Please note that it is a requirement of the University for full-time graduates to live no more than 25 miles from the city centre, and so most graduates who are new to the city choose to live in College- or University-owned accommodation as part of a welcoming graduate community.

## **Graduate Accommodation Sites**

The College offers around 86 rooms for first-year graduates ('graduate freshers') at the following accommodation sites:

### Merifield

Modern, purpose-built apartments in a gated complex located in Summertown, North Oxford, owned and managed by Wadham. The complex is a short cycle ride from the city centre and Wadham's sports ground is just round the corner.

### Lathbury Road

College-owned accommodation for five graduates situated in a quiet street off the Banbury Road. There are good bus links and the house is a short cycle ride from the city centre.

### Castle Mill

Single en-suite study bedrooms located within a University of Oxford-owned apartment complex comprised of a set of blocks, the most recent of which were completed in 2013. The modern and well-equipped residence for graduates is located at the end of Roger Dudman Way off the Botley Road, a short walk to the town centre and located between the railway line and Port Meadow.

### College Main Site

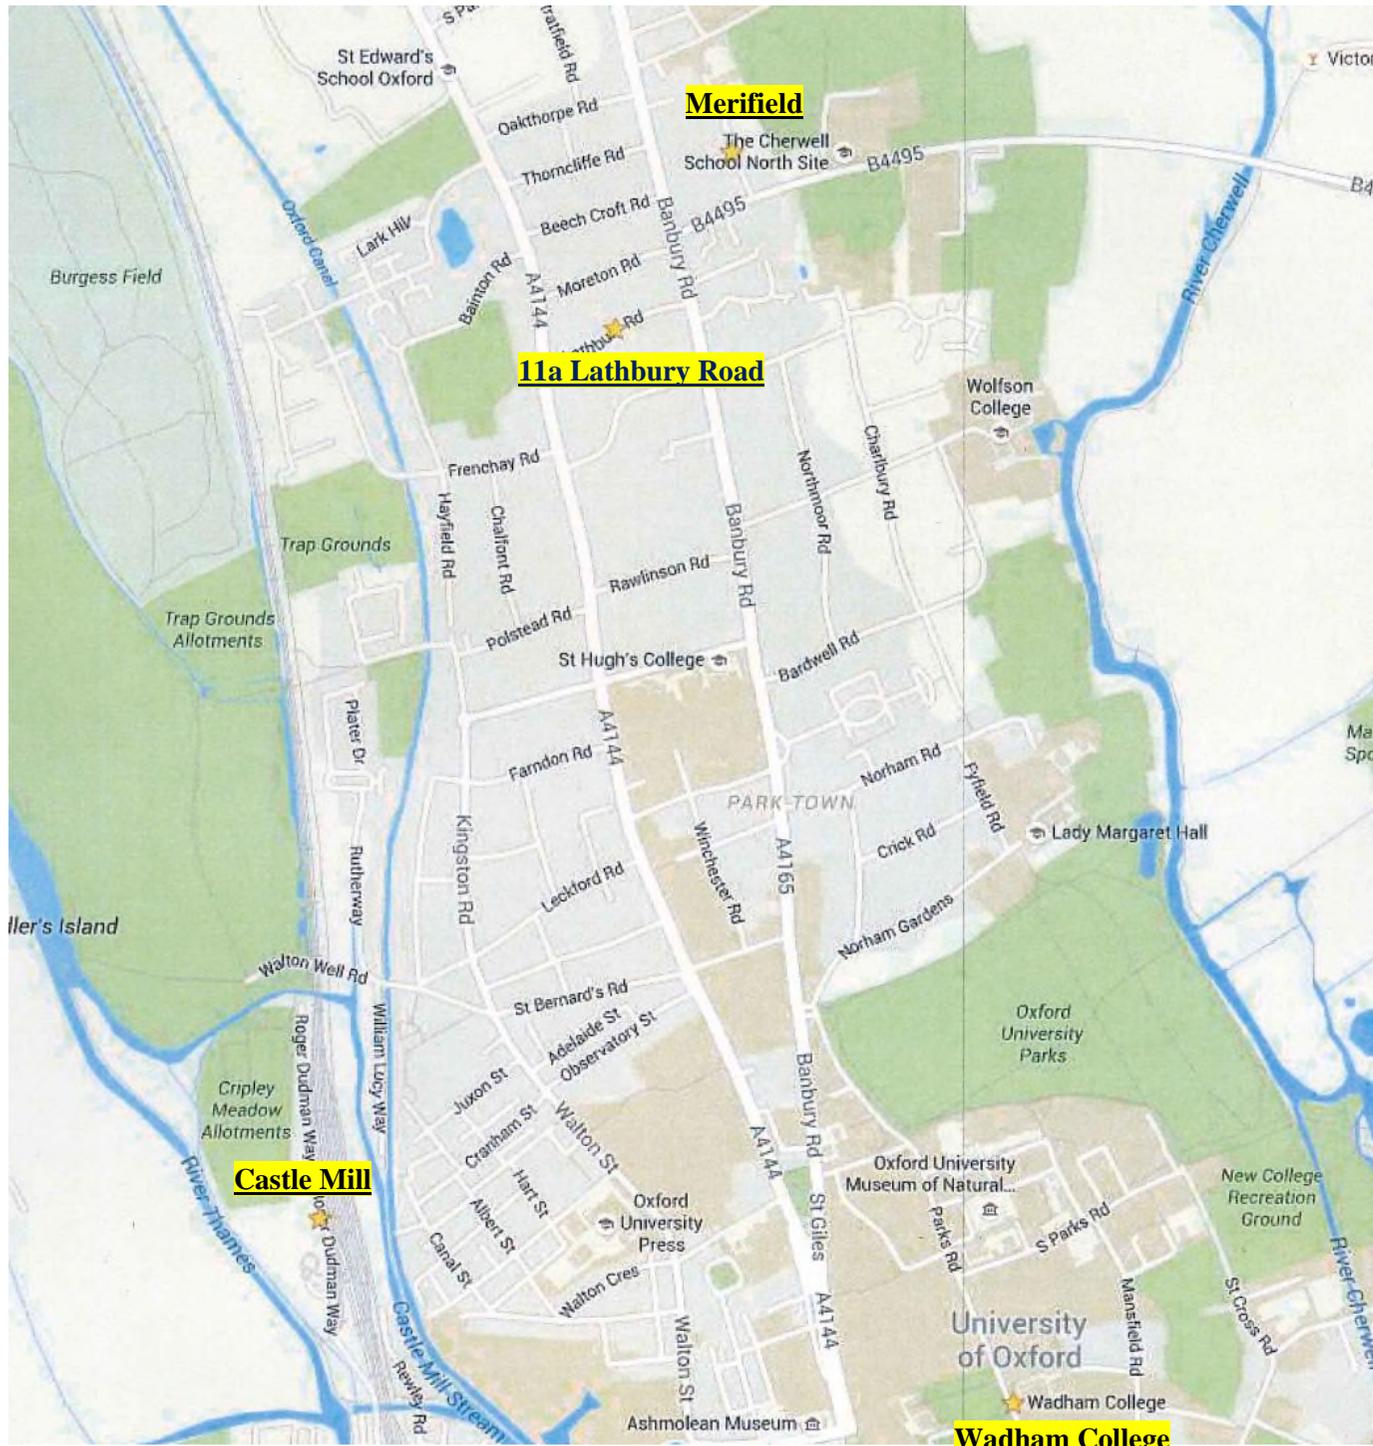

A small number of single study bedrooms located on the main College site, Parks Road, close to the centre of Oxford. These rooms are primarily reserved for graduates with special requirements (i.e. mobility issues, medical conditions). Graduates are accommodated in adjacent rooms where possible.

*Further details are included in the following pages.*

## **Getting Around Oxford**

Oxford is a small, compact city. Much of the centre of the city is pedestrianised, and most students and residents choose to travel by bicycle or by foot. There are also buses that serve the city for those who wish to travel further afield. Many students choose to bring a bicycle and there are cycle parking facilities at all the residences. If you are bringing a bicycle, please do remember to bring a good set of lights as these are compulsory by law when travelling after dark.

Please note that due to the compact size of Oxford, very few departments are more than a few minutes' cycle ride away, or a short walk. Departments are located in the centre of the city and accommodation is not on a 'campus' but is interspersed with other buildings found in many city centres such as shops, residential housing and parks.

**Cycle time to Wadham College:**

Merfield: 8-10 minutes

11a Lathbury Road: 8 minutes

Castle Mill: 8-9 minutes

**Walking time to Wadham College:**

Merfield: 25 minutes

11a Lathbury Road: 25 minutes

Castle Mill: 25 minutes

## Merifield Accommodation

Merifield, Ferry Pool Road, Oxford OX2 7DU

<https://www.wadham.ox.ac.uk/students/graduate-students/graduate-accommodation>

This modern gated complex of fully-fitted spacious apartments is about 1½ miles north of the city centre in Summertown. There is a comprehensive CCTV monitoring system and access is via an electronic card swipe system. A manager resides on site for urgent maintenance support and there is also a live-in Sub Dean for welfare support during term-time. There are good transport connections and the site is a 10-minute cycle ride from College and the centre of Oxford.

The furnished apartments house 4 or 5 students in single rooms, sharing a spacious kitchen, dining and living room, and bathrooms. Most graduates will be in 5-bedroom apartments which have 2 bathrooms. 4-bedroom apartments have 1 bathroom and 1 toilet with wash basin.

All ground floor apartments have terraced doors in the living area opening onto landscaped gardens; a number also have bedrooms with terraced doors leading directly into the gardens. All first floor apartments have living rooms with terraced doors leading onto balconies facing the gardens.

There is no parking at Merifield. A few parking spaces are available at Wadham's sports ground nearby.

Many graduates live in Merifield and there is a friendly, lively community.

### What is the contract length?

The standard contract runs for 11 months from **1 October – 1 September**. A 9-month contract from **1 October – 1 July** is also available for graduate students on one-year courses. In some circumstances, an extension to the contract period may be possible.

#### Cleaning

Residents are expected to clean their own rooms and share the cleaning of the communal areas in their flat. A vacuum cleaner and mop are provided for use by residents. Residents are expected to provide their own cleaning products. Residents are responsible for the removal of all rubbish to the outside bins. Recycling bins are available for both general recycling and food waste.

Residents are assisted by domestic staff once every three weeks to clean the communal areas, including kitchens, living rooms and shower areas. Students are responsible for their own washing up.

#### How much will the accommodation cost and how is the rent paid?

Lodging charges are revised for the forthcoming year, to take account of known or anticipated increases in costs, as well as the level of subsidy provided by the College, in a process involving current students.

The approved charges are published on the accommodation website pages by the end of Trinity Term and all students pay the updated charges from the start of the next academic year. At this time, you are advised to budget for an increase of between 6% and 9% (to between £567.47 and £583.53 per month inclusive of utilities).

Rent is collected in three termly instalments payable to the College Bursary by the Friday of first week each term. Invoices are sent out during Noughth week.

There is also a deposit system which is described on page 3 of this document.

## Lathbury Road Accommodation

11a Lathbury Road, OX2 7AT

<http://www.wadham.ox.ac.uk/students/graduate-students/graduate-accommodation/lathbury-road>

11a Lathbury Road is situated approximately 1 mile north of the city centre, within walking distance of Summertown shops and facilities. The house is located in a quiet street off the Banbury road with good bus links and cycle routes to the city centre.

11a Lathbury Road offers accommodation to 5 graduates, creating a small and personable community.

### What is the contract length?

## Castle Mill Accommodation

Castle Mill, Roger Dudman Way, Oxford, OX1 1AE

<http://www.admin.ox.ac.uk/graduateaccommodation/graduate/properties/castlemi//>

To ensure all first year graduate students are offered accommodation, Wadham has an arrangement with the University of Oxford to offer some single en-suite study bedrooms at Castle Mill. The residences are owned and managed by the University.

Castle Mill is in close proximity to the centre of Oxford, located between the railway line and the picturesque Port Meadow. The residence is within easy reach of all local amenities and transport links. There is a designated cycle track that leads from the site to Port Meadow car park and Walton Well Road. This gives cycle and pedestrian access to Jericho, North Oxford and the Science site, bypassing the city centre. Castle Mill also has 10 regularly maintained pool bikes available to book free of charge via an online booking system.

The accommodation is arranged in 5 and 6 bedroom cluster flats. All study bedrooms are fitted to a high standard and include an en-suite shower, toilet and washbasin. All study bedrooms share a fully fitted kitchen and dining/living area.

Castle Mill is staffed with a team of caretakers on weekdays; for out of hours assistance students can contact the University's Security Services. There is a comprehensive CCTV monitoring system and access to the residences is via an electronic entry system.

### **What is the contract length?**

Tenancy agreements are with the University of Oxford and run from **10 September 2018 – 31 July 2019**.

A sample tenancy agreement for Castle Mill is available from their website (link above). Please note that the tenancy agreement is under review and subject to change.

All students resident in Castle Mill are contacted by the University's Graduate Accommodation Office in February/March to ask whether they would like to extend

their stay in their current room for a period of up to 5 weeks, however the Office provides no guarantee that this option will be available to all.

### What is provided in your apartment and study bedroom?

General Living Area/Kitchen	Bedrooms
Oven and hob	Single bed
Fridge/Freezer	Wardrobe
Toaster and kettle	Desk with 3 drawers, chair and Easy chair
Microwave	Chest of drawers
Ironing board	Bookshelf
Vacuum Cleaner	En-suite bathroom with shower, toilet and washbasin
	Wi-Fi access in all bedrooms

*Residents are expected to provide their own bedding (including duvet and pillow), kitchen utensils and crockery/cutlery.*

Other amenities
Free Wi-Fi
On-site coin operated laundry
Four common rooms which can be booked for parties and other gatherings
Bike storage and shed
Access to 10 pool bikes that can be booked online free of charge

### Cleaning

Tenants are expected to keep their rooms clean and to provide their own cleaning materials. Cleaners attend the communal kitchens regularly, however tenants should nonetheless ensure that they keep the kitchen clean and tidy between visits for the benefit of other residents. A vacuum cleaner for use by all tenants is available.

### How much will the accommodation cost and how is the rent paid?

The rent for a standard en-suite room in 2017/18 is £586.42 per month including all utilities. It is anticipated that the rent will increase by between 4% and 6% for 2018/19 to around £616 per month. You will be asked to pay the full opening account before securing your room. This consists of a deposit of one month's rent, plus rent from 10 Sept 2018 to 30 Sept 2018, together with a £40 cleaning charge. Please note that the £200 security deposit paid to Wadham (see deposit scheme described on page 3 of this document) will be deducted from this amount.

Rent is collected by standing order on the first of each month and is payable to the University of Oxford.

Overseas students who do not have a UK bank account at the time of the tenancy start date will be asked to pay two months' rent in addition to the opening account.

## College Main Site Accommodation

Wadham College, Parks Road, Oxford, OX1 3PN

<https://www.wadham.ox.ac.uk/students/graduate-students/graduate-accommodation>

A very limited number of rooms are available to graduate students on the main College site. These rooms are primarily reserved for graduates with special requirements (i.e. mobility issues, medical conditions).

The College's main site is located close to the centre of Oxford, the science area and all libraries. Graduate accommodation consists of single rooms with shared bathroom and kitchen facilities. There is a weekly room cleaning service and communal areas are cleaned daily on weekdays.

We endeavour to place graduates in adjoining accommodation, but do note that you will also be sharing the site with academic staff, as well as much younger students who are experiencing university life for the first time.

### **What is the contract length?**

Contracts are termly. Graduates are able to apply for vacation residence to stay during the vacation periods.

### **What is provided in your study bedroom?**

#### **Bedrooms**

Single bed	Desk lamp
Washbasin	Data point for high speed internet access
Small fridge	
Wardrobe with cupboards	
Chest of drawers	
Desk and chair	
Easy chair	
Bedside table and coffee table	

*Residents are expected to provide their own bedding (including duvet and pillow), kitchen utensils and crockery/cutlery.*

Other amenities	
Library open 24/7 with printing and photocopying access	On-site catering
Free Wi-Fi	Gym
Pay-As-You-Go laundry	Music Rooms
Underground bike storage	Bar with television, open most week nights
MCR kitchen within the McCall MacBain Graduate Centre located in the Back Quad	Vending machine in the JCR Building

The College main site has 24-hour front entrance security and support provided by the Lodge staff, including nightly patrols. The College has a comprehensive CCTV security system. There are two live-in Sub-Deans providing welfare support and advice.

### **Cleaning**

The College's scouts clean rooms on the College site once a week and communal toilets and bathrooms daily Monday-Friday. Rubbish is removed from bedrooms and communal areas daily Monday-Friday. Students are responsible for their own washing up.

### **How much will the accommodation cost and how is the rent paid?**

Lodging charges are revised for the forthcoming year, to take account of known or anticipated increases in costs, as well as the level of subsidy provided by the College, in a process involving current students.

The approved charges are published on the accommodation website pages by the end of Trinity Term and all students pay the updated charges from the start of the next academic year. At this time, you are advised to budget for an increase of between 6% and 9% (to between £1494.37 and £1,536.66 per 8-week term, inclusive of dinner Monday-Friday in full term only, utilities and weekday housekeeping service) prior to agreement of the charges.

Vacation residence (the Christmas and Easter vacations usually lasting five and a half weeks, counting from the Saturday after the last week of term to the Wednesday or Thursday of the week before term begins) is currently charged at £20.58 per night (no meals). This rate is also subject to an increase for the 2018/19 academic year.

Rent is collected in three termly instalments payable to the College.

There is also a deposit system which is described on page 3 of this document.

Please note that although the costs for living on the College's main site are given per 8-week term (the shorter residence period for undergraduates), the budgeted living costs are expected to exceed this term-time cost as graduates are expected to study and remain in Oxford throughout the vacation period. You will find that academic commitments such as seminars, research events and meetings with your academic supervisor will frequently run through the university vacations. This higher cost is budgeted for in the living-cost figures given on your financial declaration form (or included in the living allowance for those funded by Research Councils or other funding bodies). Please see:

<http://www.ox.ac.uk/feesandfunding/fees/livingcosts/graduates/> for further details.

## **Policy on Room Transfers/Swaps**

### **Room transfers in College accommodation**

If you find your room unsuitable for any reason, please speak to the Accommodation Officer as soon as possible as we may be able to assist in resolving any issues you are experiencing.

You can also request to move to an alternative room within College accommodation. Please be aware that this would be subject to vacancies being available and therefore we cannot guarantee it would be possible. Requests for a transfer should be made to the Accommodation Officer.

Please note that transfer requests are dealt with on a case-by-case and not on a first-come, first-served basis. Please be aware that transfer requests are usually on hold for the first two weeks of Michaelmas term to allow time for students to come forward with any requests to move. Requests will be prioritised by the College Accommodation Office in consultation with the Academic Office.

### **Moving out of College accommodation to the private sector**

If you wish to move to private sector accommodation and leave your College accommodation, please view the relevant section in your residence agreement (contract) which advises you of the requirement to find a substitute Wadham student for your room who is not already living in College accommodation.

### **Room transfers in University accommodation**

If you find your room unsuitable for any reason, please speak to the University's Graduate Accommodation Office as soon as possible as they may be able to assist in resolving any issues you are experiencing.

Requests for room transfers should also be made to the University's Graduate Accommodation Office. These will be considered only for welfare/health and safety reasons. Please be aware that they are unable to guarantee this.

### **Moving out of University accommodation to College accommodation or the private sector**

If you wish to leave your University accommodation because you have submitted your thesis (or are no longer a student for any other reason), the University's usual policy is to allow this as long as a replacement tenant has been found. Please contact the University's Graduate Accommodation Office for assistance.

If you wish to leave your University accommodation for any other reason please refer to the relevant clauses in your tenancy agreement (contract) and contact the University's Graduate Accommodation Office.

Please note that it is not possible to surrender your tenancy agreement with the University in order to transfer to College accommodation.

Students must also speak to Wadham's Accommodation Officer if they wish to be released from a tenancy agreement with the University's Graduate Accommodation Office.

## University Accommodation

In addition to the Castle Mill complex mentioned above, the University's Graduate Accommodation Office is also responsible for the letting and management of other University-owned Graduate Accommodation. They have various sites and properties throughout Oxford, ranging from study bedrooms to purpose-built sites housing singles, couples and families.

Wadham is not normally able to offer suitable accommodation for couples or graduates with children so graduate freshers who will be coming to Oxford with a partner or family may wish to contact the University's Graduate Accommodation Office for help finding accommodation. The University's Graduate Accommodation Office allocates its accommodation on a first-come, first-served basis. Applications should be made as far in advance of the start of the academic year as possible, as the accommodation they have available tends to become fully booked very quickly.
